Burford Primary & Nursery School

Equality Objectives

At Burford Primary & Nursery School, we are committed to ensuring equality of education and opportunity for all pupils, staff, parents and carers irrespective of race, gender, disability, belief, religion or socio-economic background.

In order to further support pupils, raise standards and ensure inclusive teaching, we have set the following objectives:

- **Objective 1:** Ensure equal access, participation and opportunity in the school curriculum and enrichment through monitoring and analysing by race, gender and disability and acting on any trends or patterns in the data.

- **Objective 2:** Eliminate unlawful discrimination, harassment, victimisation and any other conduct prohibited by the equality act 2010 through fostering good relations, understanding, tolerance and respect between pupils who share a protected characteristic and pupils who do not.

- **Objective 3:** Challenge stereotyping, negative language and labelling based on sex, gender, ethnicity and sexual orientation.

- **Objective 4:** Advance equality of opportunity for pupils and staff with a disability by providing a fully accessible and supportive working environment.
